*"Oil Country Tubular Goods and Services"*

## MATERIAL SPECIFICATIONS

### **Material offered is "SURPLUS PRIME"**

Steel Trading Corp. offers all "surplus prime" on an "as is, where is" basis without implied or expressed warranties of any kind. The suitability and fitness of this material for any intended use of the buyer is to be determined by the buyer's SOLE inspection. Buyers are welcome to establish the inspection criteria and take only "good footage" based on their inspection. All subsequent mill claims must be filed by the buyer directly with the manufacturer. Steel Trading Corp. is not a recognized distributor and has no recourse with the mill. Confirming the mill test reports and heat numbers match 100 percent of the heat numbers on the product is the BUYER'S SOLE RESPONSIBILITY. Steel Trading Corp. recommends and encourages third party involvement to verify the documentation is correct and that the fitness of the product for the buyer's intended use is suitable.

### **Material Offered is "NEW SURPLUS CASING"**

The mill test reports are NOT AVAILABLE. Steel Trading Corp.'s "surplus material" is sold "as is, where is" with no implied or expressed warranties on the product or its use in any application. The suitability of this material for any intended use of the buyer is to be determined by the buyer's SOLE inspection.

### **Material Offered is "NEW LIMITED SERVICE"**

Steel Trading Corporations "limited service" products are sold "as is where is" without implied or expressed warranties on the product or its use in any application. The suitability and fitness of this material for any intended use of the buyer is to be determined by the buyer's SOLE inspection.
